Emily, thanks so much for setting this up. I'll have them arrive for this appointment 15 minutes early. The Senator will be joined by two colleagues.

Byron Dorgan, Former US Senator; Arent Fox LLP

Anne Steckel, VP of Federal Affairs, National Biodiesel Board

Larry Schafer, Senior Government Affairs Consultant, National Biodiesel Board

Thanks again for making this work! I think we're set for now. Maybe we can touch base a few days out to be sure we're all on track?

Have a good weekend,

Christy

Hi Christy,

You are confirmed for a 45 minute meeting on Thursday, May 28 at 2:00pm with Janet McCabe, who will be joined by Chris Grundler and Ben Hengst.

Directions and procedures to 1200 Pennsylvania Avenue NW:

**Metro:** If you come by Metro get off at the Federal Triangle metro stop. Exit the metro station and go up two sets of escalators to the surface level and turn right. You will see a short staircase and wheelchair ramp leading to a set of glass doors with the EPA logo - that is the William Jefferson Clinton Federal Building, North Entrance.

**Taxi:** Direct the taxi to drop you off on 12th Street NW, between Constitution and Pennsylvania Avenues, at the elevator for the Federal Triangle metro stop - this is almost exactly half way between the two avenues on 12<sup>th</sup> Street NW. Facing the building with the EPA logo and American flags, walk toward the building and take the glass door on your right hand side with the escalators going down to the metro on your left - that is the North Lobby of the William Jefferson Clinton building.

**Security Procedures:** A government issued photo id is required to enter the building and it is suggested you arrive 15 minutes early in order to be cleared and arrive at the meeting room on time. Upon entering the lobby, the meeting attendees will be asked to pass through security and provide a photo ID for entrance. Let the guards know that you were instructed to call 202-564-7404 for a security escort.

Please send me a list of participants in advance of the meeting and feel free to contact me should you need any additional information.

Emily, that would work great. Senator Dorgan hoped he could bring along two colleagues, will that be ok? Also, you had previously shared the names of other staff who would be in the meeting, are they still available at this time?

Thanks, Christy

Hi Christy,

It looks like travel schedules are not going to align that week because Monday, Tuesday and Friday I don't have availability on Janet's calendar. Next week it looks like we could fit it in on Thursday, May 28 at 2:00pm.

Emily,

Unfortunately, Senator Dorgan will be on business travel May 20 and 21. If Ms. McCabe doesn't have time on the 18<sup>th</sup> or 19<sup>th</sup>, would Friday, May 22 work instead? That day is basically wide open for my boss.

Thanks, Christy

Emily,

Sorry for the delay, I was pulled into a project that's dominated my time.

If Janet McCabe still has availability, Monday and Tuesday, May 18 and 19 would be ideal for the Senator. Does she have any openings on those dates? We're happy to go with what works best for her schedule.

Thanks, Christy

Emily,

Senator Dorgan would like to meet with Janet McCabe to discuss the renewable fuel standard. He had previously requested a meeting with the Administrator that didn't work out, but, if at all possible, he would like the opportunity to meet with the Acting Assistant Administrator within the coming weeks.

Would it be possible to get a meeting later this month? He's in town April 21, 22, 27, 30; May 1, 4 or 5 (as a starting point – I could look further out for May options as needed).

Thanks for your help with this matter!

Good morning Christy,

I apologize for the delayed response. We regret to inform you that unfortunately the Administrator's schedule will not be able to accommodate this meeting request at this time.

However, if interested and if her schedule allows, we can offer a meeting with Janet McCabe, Acting Assistant Administrator for EPA Office of Air and Radiation. I've looped in Emily Atkinson, Executive Assistant for Janet McCabe (cc'd above), so you may coordinate directly with her in scheduling this meeting.

Please do not hesitate to contact me if you have any further questions.

Best,

Keylin

Keylin, thanks for visiting with me this afternoon. I hope your week is off to a good start!

ED\_000574\_00000268

As I shared, Senator Dorgan would like to have a brief meeting with the Administrator sometime in the coming weeks. He would like to visit about an idea he has pertaining to the RFS and biodiesel. As one of the Senate authors who created the RFS in the Senate Energy bill in 2005 and 2007, Senator Dorgan is hoping to discuss some ideas as to how to resolve issues around the RFS.

Should she have the availability, he would come over alone for a 15 minute one-on-one appointment. He will be brief as we know her time is valuable. (As a heads up, he is on travel Feb 11-13, and 18 – through morning of 19<sup>th</sup>).

Thank you for your consideration.

Christy
